**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural area so my broadband is NECESSARY! I want more choices, low prices and continued access to the internet!

If i can't have internet I can't communicate with my family, pay my bills, check school closings, road/highway conditions, weather condition, etc! If prices go up anymore, I may have to give up my home phone!
